## TRADE DAY 2002

Despite a short shower, the Trade Day at Nostalgia Town on December 1st was a resounding success with 45 stalls and around 500 visitors. The Traders were rewarded by substantial sales, and complimented E Banc staff on the exceptional organisation which made the day even better.

We had several lucky winners of the door prizes and the Surprise Shopper promotion and our thanks go to those members who donated prizes:

*Ultra Bas.com* *P.S.Fibreglass*  
*Nostalgia Town* *AllZapped Pest Management*

Our extended thanks also to Nostalgia Town for hosting this year's Trade Day. We have grown out of our space at the Sunshine Coast warehouse, and the grounds at Nostalgia Town provided a perfect setting. With music by **Cuttin**

**Headz** and DJ Scott Garner, a barbeque and refreshments provided, and great bargains that were snapped up by eager shoppers, the day was very satisfying, though we had a few staff limping about the office on the Monday morning!

# Sydney breaks petrol drought!

**E Banc Trade Sydney** has recently broken the petrol drought for members, following a push to acquire petrol on Trade for the members' weekly motorcar running costs! (Most service station proprietors are very reluctant to offer any discount on fuel at all.)

Following a recent visit to Sydney and advice from Scott Kirby of E Banc Melbourne, the Sydney team have now acquired their first Service Station on **ten percent trade** for all members who elect to take advantage of this offer.

Membership Coordinator Graham Valentine who negotiated this deal said, "While ten percent may not appear to be a good discount, it has to be realised that petrol has little margin and is frequently changing price. Through adopting this unique method of purchasing and recording each member's purchase on pre-printed cards, the system implemented allows the Service Station proprietor to increase his turnover, receiving the cash first, then, after averaging out the first nine purchases, the member knows what their tenth purchase will be. The tenth purchase is on full trade. No cash!"

## For example:

- Nine petrol purchases over any time period that might add up to say **\$360.00 = average \$40.00 per fill up.**
- Total income to the service station proprietor so far is **\$360.00.**
- **Member's next purchase, their tenth at this petrol station, will be for \$40.00 of petrol on FULL TRADE!**

Then the count starts all over again, benefiting both purchaser and vendor. Purchases are registered on the new **My E Plus Card.**

**Contact Graham on 02 9831 7363 for details on My E Plus.**

## THE FACE OF E BANC TRADE—OUR HUMANITARIAN WORK

**E Banc Trade** is about to embark on a new humanitarian program in conjunction with a Brisbane based charity called "Integrity Care". The program targets those who live in abject poverty, both at home and abroad, but who have a vision of establishing their own business. These people are given the opportunity to develop their enterprise, by way of a loan, with the necessary support and training from experienced business people.

E Banc Trade members will have the chance to "Adopt a Business" and with the support of Integrity Care, provide the opportunity for someone to raise themselves out of debilitating poverty.

Keep a lookout in next month's edition of the "E Banc Trader" to find out how you can help to defeat poverty.

## CAMPING HOLIDAY

I have 32 acres ready for camping...  
Xmas / Easter / whenever ....

It's bush camping with a small dam / swimming hole with a rope swing; 5mt x 5mt roof shelter; no power; open fire place; and bush bar area (Chiso's mullet bar). You need to take your own water.

Great mud crab spot, and 5 minute drive to bowls club (beer/pokies/meals), tennis court, local shop (bread, milk, ice, etc) and golf course.

1 1/2 hour drive north from Noosa and 15 min drive west to Maryborough at Boonooroo. A boat ramp is nearby so you can fish / sightsee Fraser Island or the Great Sandy Strait. Great area for trail bike riding, fishing, or just kickin' back near the fire, sippin' on a Bundy or beer.

**\$8 cash \$15 trade per night**

**\$50 cash \$100 trade per week**  
(max 1 week)
