RECORD MONTH FOR MEMBERSHIP GROWTH

The month of May produced record growth in membership figures, which is the culmination of 3 years and 4 months of focus from head office staff and licensees on fine tuning our formula so that the members interests are foremost in all decision making. This record is evidence that our focus is well placed with new businesses recognising this and signing up in large numbers.

E BANC FOUNDATION

It is with even greater pleasure that I announce the achievement of a lifetime goal to assist the community and small business with the incorporation of the **E Banc Foundation**. This step has enabled us to better address not only the needs of small business but also those special requirements of the community that slip through regular funding channels. The E Banc Foundation is a non-profit, registered, charitable organisation approved by the government.

E Banc Trade has previously worked with the community through sponsorships to assist sporting and community based non profit entities and individuals. As you can see on the back page of this newsletter, 300 plus sponsorships now receive special assistance. Our My E Heart programme identifies and rewards individuals in the community who carry out acts of kindness without expectation of reward. To date Debra Davenport of the Sunshine Coast Children's Therapy Centre, Peter and Glenys Kemp, Terry McGarity, Sue Kupiak of Shed of Light Op Shop, John McGlynn of the Caloundra Basketball Association, and the Merrigum Lions Club have been worthy recipients of a My E Heart reward.

Our support has stretched further a field with **E Banc Trade World Aid** which is committed to supporting humanitarian organisations and issues, both domestically and abroad. Beneficiaries include 'Heart Reach' Australia is a not-for-profit organisation supplying vital medical assistance to the needy people of rural Viet-Nam; '48 Hours to World Peace', an organisation that helps raise awareness for the peace movement; Adopt a Business, a programme run by Integrity Care in third world countries to provide loan funds to people who have a business vision but are without the financial capability to fund it; Youth SITE, a Sunshine Coast organisation whose aim is not only to provide entertainment in a safe and secure atmosphere for the youth of today, but also other essential services such as counseling and a referral service to other organisations; Challenge for Cancer, a series of events organized by Jan Johnson to raise money for the Queensland Cancer Fund; Coast Red Cross Bali Benefit Initiative; and last but by no means least, E Banc Trade Disaster Relief to assist those people in Australia who fall victim to drought, flood, bush fire and other forms of natural disaster.

Diamonds and Denim Ball

Held at Novotel Twin Waters on Friday May 30th, the Leukaemia Foundation Diamonds and Denim Ball featured special guest artist Kasey Chambers. E Banc Trade joined with new members, Sydney Cider and Get Wines Direct, to support this fund raising event by providing beverages and being acknowledged as a major sponsor of the evening.

The event was huge success raising over \$34,000 for the Leukaemia Foundation.

The evening was so popular that discussions have already been held between Novotel Twin Waters and Kasey Chambers to stage this event again next year.

Lunch with the Legends

Some of Australia's sporting legends descended on Mooloolaba for a charity auction to raise money for the Cancer Centre at Nambour.

Former State of Origin champions Billy Moore, Dale Shearer, Kerrod Walters and Adrian Bruncker were joined by Ironwoman champion Kirsty Holmes and former swimming star Haley Lewis.

The luncheon also included an auction of sporting memorabilia which was the inspiration of E Banc Trade Corporate Accounts Manager, Pat Burns.

Mr Burns said a relative on the Sunshine Coast had been travelling to Brisbane for chemotherapy and radiation treatment and he understood first hand the importance of a state-of-the-art cancer centre for the Sunshine Coast.

This sold-out function was held at 'Hot Papis' in Mooloolaba on Friday June 6th.

My E Heart Awards

Sue Kupaik and **John McGlynn** are two of the latest My E Heart Award Recipients. Both recipients demonstrate exactly what the My E Heart Award is all about. Both have given to the community freely and willingly of their time and/or money to help others, without expectation of gain or recognition for themselves. Sue and John have a love

John McGlynn receives his award from E Banc Trade's Brett Skjonnemand

for the children of our community, Sue in the world community and John in the local community. Sue provides funding for two Nepal Orphanages; her funding covers the children's food, clothing, maintenance on the building, and education. She raises the money by running the 'Shed the Light' opportunity shop in Kenilworth and another in neighbouring Yandina.

John, on the other hand, works with children within the local community, by providing coaching and training in basketball at the Caloundra Indoor Sports Stadium. His commitment and dedication to the game has seen John coach local and state representative sides. John gives many hours every week to junior basketball, his invaluable skills and knowledge given freely to help the kids of the Sunshine Coast.

To date My E Heart has given over \$8000 worth of prizes to our six My E Heart recipients. Prizes have consisted of accommodation, car hire, a computer, digital cameras, giant gift baskets and dinners for two.

All of the staff and members of E Banc Trade would sincerely like to thank all of our My E Heart recipients for their dedication and community spirit which helps make the world a better place. E BANC FOUNDATION Continued:

All this will now come under the umbrella of the E Banc Foundation. What this now means is that where sponsorships in the past were responsible to source product and spend down their own sponsorship monies, sponsorships that now fall under the Foundation may have an advisory committee established to assist them to attain their goals, and to make the most of their E Banc Foundation funds.

These advisory committees will be drawn from a pool of people working with the Foundation which will be made up of business, political, religious and sporting leaders, and individuals necessary to ensure the smooth operation of the sub committees. We foresee the establishment of many advisory committees which will create the need for many influential and caring people to become involved. The beautiful thing about the E Banc Foundation is that through its establishment, we can financially, commercially, and emotionally assist existing and new non-profit entities, and also offer our own special programmes in support, enabling us to extend our commitment of support for the global community and its population.

E Banc Foundation will assist people in the following areas:

- ◆ **Poverty Relief**
- ◆ **Education and Training**
- ◆ **Community Encouragement**
- ◆ **Sports and Recreation**
- ◆ **Employment**
- ◆ **Youth Affairs**
- ◆ **Environmental and Wildlife**

Anyone who has any recommendations or suggestions can contact the Foundation Secretary, Brett Skjonnemand, directly on brett@ebanctrade.com or by phone on 07 5437 7220.

TRADE DOLLAR CONVERSIONS

In finishing off, I would just like to reinforce my belief that we will be the Number 1 Trade exchange in Australia within 18 months. From June 1st, all trade dollar conversions, except Bartercard, now attract a 16.5% fee.

Neil East

All Australian members will receive their first issue of the **E Banc Bargain Buys Booklet** by direct mail during June. The booklet is specially designed to be a fast find guide for members. Produced on behalf of E Banc Trade by Perfection Holdings Pty Ltd, E Banc Bargain Buys is published quarterly in May, August, November and February.

This publication is an easy way to advertise your business and to gain new clients that you would otherwise not have. Advertising space is restricted. A casual listing is 1/3 page with ads in orange and blue. This consists of the member's contact details, 25 word description, special offer and trade component percentage accepted. Costs excluding GST: \$180 trade and \$150 cash. Run your ad for 4 issues and the fourth issue's ad will be free, if booked as a schedule. Full page ads are available at \$486 Trade and \$390 cash. (Design artwork is extra). All rates are plus GST.

If you have any queries, please contact Les Howard of Perfection Holdings.

Gridiron Queensland Benefits from E Banc Trade Sponsorship

Gridiron Queensland is the peak body for American Football in the Sunshine State and E Banc Trade is our major sponsor. When Chris Sun from E Banc Trade asked me to put together a small article on how the sponsorship has helped us, I told Chris there was only one problem, "How do I make it a small article?"

E Banc Trade was the sponsor of the recent national tournament and also of the Queensland Team. For us, E Banc was involved every step of the way to Adelaide, from our first-ever formal jersey presentation, to the team looking professional on and off the field and finally to the souvenir tour diary our representatives will keep as a memento of their trip.

As treasurer of our organisation, I have found that by studying our spending habits and browsing the trade directory I can easily find ways of spending down our trade dollars on regular expense items and new ways to provide our members with a better value of participation. Finally but by no means the least, the E Banc Trade directory has introduced us to a great number of suppliers who we would otherwise have probably never met.

These suppliers and E Banc Trade are our partners in becoming arguably the best-managed Gridiron Association in the country.

Richard Gill, Marketing Manager, Chris Sun from E Banc Trade, and Peter Farrar, President.

Adopt a Business - Break the chain of poverty

The E Banc Foundation and Integrity Care's 'Adopt a Business' is to be launched at a breakfast function at the Purple Olive restaurant in New Farm Brisbane on June 17th.

As a fund raising effort, Adopt a Business hopes to finance the 'Micro Enterprise Development' (M.E.D) programme that has been successful in birthing more than 100 businesses in poverty-affected Mozambique and Cambodia. Thailand lacks only resourcing to come online and join in the fight against poverty.

With all but one business paying back the capital and interest on the loan made to the recipients of this M.E.D. programme, Integrity Care has assisted over 1,500 people to break the cycle of poverty in their lives. These people trade with each other and their local communities. They now earn an income and have the chance, and the network, to grow.

Between June 17th and September 17th the **E Banc Foundation** and **Integrity Care** will promote, through the E Banc Trade network, the 'Adopt a Business' programme in an effort to raise \$1,000,000. An E Banc Trade member can adopt a business idea from within poverty stricken communities in one of the poorest countries, and fund its conception and watch it become established in its local economy.

How it works in point form:

- An average of two hundred Australian dollars is required to fund the business birth.
- An appointed member of the local church (not Australian missionaries) identifies local individuals that have a business idea.
- If the idea is viable the individual is given business training and mentoring. The individual receives their repayable (with interest) loan and begins their venture into small business.

Anyone can Adopt a Business for A\$200 (E Banc Trade members 50/50). All sponsors will receive a certificate to commemorate their sponsorship and regular progress reports. Every sponsorship paid receives one entry into a competition to win a holiday on Queensland's Fraser Island.

E Banc Trade members also get a chance to win a paid, hosted African or Asian immersion trip.

For further information please refer to the E Banc Trade website www.ebanctrade.com.

OCEANIA'S AUTOGATE

How much time do you waste opening and closing your gates?

At night or during storms, have you ever wished you could stay in the comfort and security of your car?

Well, NOW YOU CAN with Autogate!

At last! A self closing gate which is practical, economical and robust. Any driver with any rubber tyred vehicle, with any load, and with trailers, can open autogate in complete comfort.

Autogate works by the weight of your vehicle. While tyres are on the ramp Autogate is clear of any body part of the car or truck, and the hydraulic cylinder retards the gate closure by 15 seconds, giving plenty of time for trailers and floats to go through.

Autogate Can Be Installed Anywhere

NOTICES

Incentives Programme Draws to an End

Now that My E Rewards has been introduced to all members, the Incentive Scheme on transaction payments will be phased out over the next 2 months. This programme will no longer be available from July 1st, 2003.

E Banc Trade is always looking for ways to assist members with their trading and business building.

New incentive programmes will be introduced from time to time as we strive to provide a better service to our members.

Order your Chequebooks Online

Members can order the replacement chequebooks online from the member's log on section. If you require books to be mailed by **Express Post, a \$5 cash charge will apply.** This charge will be debited to your membership account and the entry will appear on your statement. To avoid this extra charge, remember to order your replacement chequebooks in plenty of time.

QUALITY MANAGEMENT

Give your business a competitive edge over rivals by setting up a Quality Management System in accordance with the new international standard ISO9001:2000, and establish your business as a respectable leader in its field. ISO9001 can open up new markets both at home and overseas. Last year alone, over 102,000 companies adopted it as their quality standard, and have third-party accreditation proving that it works.

Best Practice Business Systems is offering its services, including a free check on your company's Health & Safety legal requirements, to members in South-East Queensland on a **40% trade** basis.

Why not take a couple of minutes and check out the benefits of ISO9001:2000 on our web page on:

www.bestpractice.ebanctrade.com

For more information please contact
brett@ebanctrade.com.

Help Michael to win the British Open

At age 14 Michael has an impressive list of titles to his name, including both junior and open age groups. Michael needs to raise \$5,000 for travel expense and \$5,000 for a new chair, as he has out-grown his current one.

E Banc Trade will organise a series of fundraisers so that Michael can compete in England and bring us home another great Aussie victory. If you are able to make a donation please contact Michelle at E Banc Trade head office.

REMEMBER to check out the new BID'n'BUY Auction on our website. Log in using your user name and password and explore the many items on which you can bid. All queries can be directed to Jeremy Greening (jeremyg@ebanctrade.com).

HEALTH & SAFETY

It's so easy for Health & Safety to be **overwhelming** and to take a back seat – "I'll get to it tomorrow....."

Are you aware of your obligations under the Health & Safety Regulations? Are you at risk? In our experience many companies are. Are you one of these?

We can help you.

Best Practice Business Systems offers E Banc members in SE Queensland a diagnostic check on your H&S system and will assist in putting together an action list, so that you can work towards meeting existing regulations. Cost is \$500 with 20% trade plus GST for businesses within 50km round trip from E Banc Head Office. (Add 25c/km for trips over 50km)

Get peace of mind – it's easy. Contact Jim Joyce on Ph:(07) 5491 1448 or email best.practice@bigpond.com
