

Dear Members,

How time flies! The anticipation for Chinese New Year came and left us with an awesome sense of prosperity. As the golden goat sets its feet firm on the ground to climb greater heights, our wishes are the same for your business.

We are already into our second edition of the E Banc Trade newsletter of the year 2003. Our New Year Trade Nite (22 Jan 2003) was a huge success and our heartfelt thanks go out to all our members who made it happened! We have many exciting events in store for all of you, so, be sure to mark your diaries to participate in all of them!

Free Air Ticket!

Yes! Starting Feb to Apr, we are having a quarterly incentive where trade spending of TRM30,000 and above will entitle you to a free air ticket to China plus TRM1000! What more; when you spend a total of TRM120,000 for the year 2003, you will get additional cash bonus RM500 and TRM3000 absolutely free! Find out more details inside the newsletter.

Area Licensees

We are expanding our membership base and we need committed licensees for this task. Areas to target are Klang, Penang, Seremban/Melaka, East Malaysia and even to our neighbouring countries Thailand, Indonesia and Philippines. Please contact me for further discussions.

Property Division

Members are invited to utilize the services offered by the Property Division of E Banc Trade Malaysia. Listings are always welcome. In fact, we are giving away RM500 for every successfully transacted property listing. For buying and selling of properties, please contact Adeline or myself at 03 2144 2133. Be sure to also look out for our Property Seminar; our Managing Director from Australia will be our honoured speaker.

Happy trading from all of us at E Banc Trade Malaysia.
