E Banc Trade Pty Ltd

Welcome to the first 'new look' monthly edition of E Banc Trader for 2004. We trust you had a fantastic Christmas / New Year break and are ready to grasp hold of the opportunities that 2004 brings.

There is a big year ahead for E Banc Trade as we commit to expanding both internationally and within our home country of Australia. A key strategy has been devised to assist our global and national expansion and all of our valued members will hear more on this very shortly.

We have many new exciting ideas and ways to improve our service in 2004 and this is complemented by the addition of many new staff to our Head Office Team.

Renee Ross has come on board as an Events Assistant to work with our National Events Coordinator Steve Woods.

New staff have joined the Customer Support Team including Sandy Duffy, Corrie Wadley and Jessica Sialepis.

Russel Mitchell has joined the warehouse team as our Storeman / Maintenance Officer and Will Savage has joined our Information Systems Department as a Web Developer.

E Banc Trade continues to be a truly innovative and dynamic company that focuses on the wellbeing of our members and the community in which we all live.

We look forward to providing you once again with monthly E Banc Trader Newsletters and welcome all comments and suggestions about this monthly newsletter to:

THE E FOUNDATION 'UNITY AWARDS'

UPCOMING EVENT

The E Foundation Dream

The E Foundation has been established to provide support to the community at local, national and international levels, by way of cash and trade dollar funding, and logistical and resourcing support from experienced administrators and community workers.

Our vision is to provide assistance directly to those in need, and to those who donate their time, money, or resources to help others in the community.

Our hope is that by encouraging and rewarding those in the community who work for the benefit of the others, we will encourage greater community participation from all citizens.

The E Foundation Unity Awards reward those who have made outstanding contributions to the community, either through their own work (e.g. fundraising or raising public awareness of problem areas) or by inspiring others to perform similar roles in the community.

The awards will be presented at a gala ceremony on 13th March 2004 at Novotel Twin Waters Resort in Mudjimba on the Sunshine Coast.

The E Foundation is currently calling for nominations for the awards. Individuals, groups or businesses may nominate themselves, or another individual, group or business.

Each award winner will receive a sponsorship package from the E Foundation, plus other great prizes.

The Awards for 2004

The following awards will be offered at this year's ceremony:

Philanthropic Spirit Award

- * Individual
- * Corporate
- * Community/Charity Organisation

Innovation Award

Sustainability Award

Staff & Volunteer

Development Award

Enterprise Award

Leadership Award

How to nominate

You may nominate yourself, or another individual, group or business.

Nominations can be lodged online at www.efoundation.cc/unity or simply print and complete the nomination form and send it by post to our Head Office at:

E Foundation Unity Awards
PO Box 151 Buddina 4575

Alternatively you can phone our Head Office on 07 5437 7227, and ask for a nomination form to be posted to you.

How do I advertise in the E Banc Trader?

E Banc Trade is committed to advertising your business in all the avenues available to E Banc Traders. One of these avenues is the monthly edition of E Banc Trader.

The purpose of the E Banc Trader is to provide a news forum to our members on the latest events and happenings in the E Banc Trade community. It is also an avenue for members to advertise their business product or service to other members of E Banc Trade.

Submitting an article online couldn't be easier. Following is a step by step guide to assist you in advertising in the E Banc Trader.

- 1) Go to our corporate web site www.ebanctrade.com
- 2) Click on the **Australian flag**
- 3) Click on the **'newsletter'** link found under the news and events heading at the top left hand side of your screen
- 4) Click on the **'submit your article'**
- 5) Fill in the fields as required and when completed click on **'submit'**
- 6) Your article will have been sent to E Banc Trade Publications for inclusion in our next publication

A few points to remember:

- A Trade % must be provided on your advertisement for it to be published and we generally look for a **minimum 30% Trade** however this can be negotiated
- You may only be advertised under your E Banc Trade registered membership name so if you have sub-businesses you can open another account or we can simply advertise the service under your existing account name
- Try to avoid lengthy submissions and state your offering in as few words as possible. People will look at a great offer quicker if they have less reading to do!

If you have any problems or wish to email us directly with information to be included in the E Banc Trader or other publications from Head Office, please email publications@ebanctrade.com

Trellidor

"WITH TRELLIDOR.....SECURITY HAS NEVER LOOKED SO GOOD!"

Trellidor has been developed over the past 25 years to become the world - wide leader in "fully-framed expanding security doors and window grilles."

Trellidors are currently being sold in 29 countries world wide, one of which being Australia for the last 16 years.

Trellidors are custom made to protect individual doors, windows, shop fronts and passages.

Made from galvanized steel and powder coated in a range of attractive colours that can suit any home, office or shop decor.

Aptly called "THE CRIME BARRIER" Trellidors are unobtrusive when not in use, formidable in use, and even when in the closed position they allow fresh air and virtual total visibility whilst providing maximum protection.

Trellidors locking system provides a two-point dead bolt system from a single key point.

Trellidors can be installed externally or internally as well as vertical or horizontal.

When not in use they contract to 15% of the opening and can be reveal mounted or face on to give a completely clear opening. They come as single (contracting to one side) or double, dividing equally to either to either side. There are many options with fixed bottom tracks, removable tracks and tracks which hinge out of the way.

Trellidors are fitted to shop fronts, car parks, warehouses and homes. They are fitted to doors and windows as well as halls and for dividing arcades and carports. They can be fitted with electric and magnetic locks. The retail network of Optus said "yes" to Trellidor in their outlets as did Planet Hollywood, Reebok, Dick Smith, Retrovision, Macdonalds, Westpac and Wallace Bishop to name a few. They have been fitted to protect supermarket checkouts and even manholes. Best of all, Trellidors are available on **50% Trade**.
