ISO 9001:2000 CERTIFICATION—we exceeded expectations

ISO 9001 Certification

As part of our ongoing drive for excellence E Banc Trade undergoes regular audits to maintain its ISO9001 certification. The International Standards Organisation (ISO) is a network of national standards institutes from 147 countries working in partnership with international organisations, governments, industry, business and consumer representatives. It provides a bridge between public and private sectors. You can learn more about ISO from their website at www.iso.ch.

Not only did E Banc Trade pass its second audit, but we were complimented on the level of professionalism, significant training programmes in place, and effective and efficient use of new technology. The auditor considered the company a leading example of best practice and recommended that we apply for the Gold Award, an award for excellence based on the 8 critical quality management elements of the ISO system.

The Executive Advisory Committee acknowledges the tireless dedication of the team who were responsible for the achievement of ISO certification whilst also managing an already heavy work load.

ISO certification is an essential requirement when developing new international markets as it is an internationally recognised certification of recognised standards in business. E Banc Trade is proud to maintain its ISO certification.

Gold Coast

While the Gold Coast office has had a chequered past, it has achieved a steady growth and now supports a total of 608 members. E Banc Trade is confident that it will continue to grow and will become as successful as the Sunshine Coast, which has 1,753 members. Our past licensees have contributed to the growth to date, but were unable to mirror the growth on the Sunshine Coast.

The new licensee for the Gold Coast and Brisbane South will be focusing on real estate and property development. Through an alliance with Head Office, E Banc Trade Australia will operate and control the warehouse and the sales team for both Gold Coast and Brisbane South, increasing membership and providing customer support services to existing and new members. Through this alliance, we believe that the Gold Coast will experience the same level of growth and activity as achieved in the Sunshine Coast region.

Facilitating this alliance will be Manager, Cheryl Niggel, and Customer Support Officer, Ben Niggel. Cheryl will be based at the Nerang office and can be contacted on 07 5502 0377 or by email to cheryl.n@ebanctrade.com. We encourage all Gold Coast and Brisbane South members to take the opportunity to check out the warehouse at Nerang, meet with Cheryl and Ben, and take advantage of products available on cash and trade.

A group of E Banc Trade members are joining together to purchase the Bengatta Nature Retreat, Thoona, Victoria for the price of \$700,000 (\$550,000 cash and \$150,000 E Banc Trade). The Retreat is presently valued at \$1.2 million dollars.

The Retreat is exceptional value and situated on over 40 hectares, has 5 houses, a 16 bedroom hostel, community centre, commercial kitchen, restaurant, licensed bar, kids games room, a 50 site caravan park (44 sites with water power and sewage points), heated in-ground swimming pool with paved surround and safety fence, out door 8 person spa, 2 tennis courts, volley ball court and badminton court. Admin Tips

Trading information and tips for E Banc Trade members

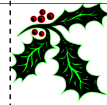

TRADING TIPS *from* CUSTOMER SUPPORT

At the Time of Transaction

- When a transaction is \$200 trade credits and over an authorisation is required.
- Simply call 1800 675 092.
- For peace of mind it is important to obtain an authorisation at the time of the transaction and before products are handed over.
- When a transaction is \$3000 trade credits and over an Intention to Trade form needs to be completed by the buyer, and both buyer and seller must sign.
- This agreement must be lodged at E Banc Trade Head Office at least 24 hours before the transaction takes place.
- The buyer must pay the relevant transaction fees.
- Payment must be forwarded to E Banc Trade Head Office with the ITT form.
- The ITT form is available from the website under forms and publications or from E Banc Trade offices.

Pay Online

- You can transfer up to \$2,999 online to another account and providing you have sufficient funds, the transaction goes through immediately—no need for a cheque or an authorisation. All you need is the other party's account number.
- Simply go to www.ebanctrade.com and click on "Member's Login" and enter your username and password.
- Your account will display. On the left side of the screen is the heading 'Transactions' and under that is 'Buy'. Click on Buy then enter the other person's E Banc Trade account number and the amount.

Christmas is around the Corner

There are many different ways to utilise your trade dollars over the holiday period; party supplies, dining out, gifts, entertainment, alcohol, amusement centres, tourist activities, accommodation and much more.

- Keep up to date, read our spotlights and newsletters and always check with E Banc Trade first.
- When looking for a particular product or service search online in the membership directory or contact your local customer support.

SPONSORSHIPS

Our sponsorships continue to grow, with interest coming from Schools through the P & F, Chaplaincies and individual classes such as drama. The use of trade dollars enables these groups to support the School by offering better services and facilities.

This month we have come to the aid of two Sunshine Coast families in need. One was the victim of a house fire and the other, sadly lost their mother giving birth. Dad is now faced with raising three children under five, as a single parent. Our trade dollars will help create a brighter future for these families.

Last week, together with Caloundra, Noosa and Maroochy Councils and Arts Queensland, we co-sponsored a Music Industry Information and Careers Day held at the University of the Sunshine Coast. With guests such as Powderfinger's Jon Coghill, the event, called EXPLODE, was a huge success, providing hundreds of young aspiring talent an insight into the music industry.

Also taking advantage of our Sponsorship is the Victorian Country Football League. The VCFL represents 84 leagues outside Melbourne, comprising of 880 clubs which in turn fields 2,722 teams. These numbers equate to 70,000 footballers, 28,000 netballers, 5000 coaches, 10,500 officials, 12,000 umpires and 340,000 supporters.

Yes, Aussie Rules is very big in Victoria. There are also 18,500 businesses directly involved in these clubs and over 200,000 spectators attend the finals.

As a MAJOR SPONSOR this represents a lot of exposure throughout the State.

SHAFTESBURY CAMPUS

Our community work continues through our sponsorship and hands on involvement in assisting the Campus, (www.shaftebury.org.au). We are currently running two "Work for the Dole" programs, which assist with beautification and general maintenance. We were also able to provide much needed repairs to a car park and commence the refurbishment of some of the accommodation.

The next, and most exciting development, is the installation of two Poly Houses which will enable the commencement of our floriculture program, and the grant approval of a Community Jobs Project, which will create ten full time jobs and develop our organic farming program.

This, together with the steady progress of our three trainees in Horticulture, is certainly providing many opportunities for the unemployed.

DID YOU KNOW!

The E Foundation, through the benevolence of E Banc Trade, and the support of our Members and Licensees, has enabled the spent trade dollars amount to our Sponsorships to exceed \$3.7 Million. WOW! Just think about it. This figure is certainly testimony to our motto, "For you, the Community".
