OUR MISSION

Our mission is to facilitate the exchange of goods and services in an environment of fair and equitable trading to create a feeling of well being over and above the member's expectation

OUR GUIDING PRINCIPLES

- Our prosperity parallels that of our community, locally, nationally and internationally
- Every policy decision is based upon the wellbeing of our members
- We endeavour to create a feeling of wellbeing over and above the expectation of agents, staff and members
- We embrace all cultures, we judge none
- Risk making a wrong decision quickly rather than no decision at all
- Agents are most important to continued growth, as are staff and members
- Staff ideas are valued as we continually strive to improve the business formula
- Dare to be different – think and work faster, smarter and with less
- One thing that can be promised is change – it inspires innovation
- Communication engenders trust and loyalty – ring back
- If you become emotional in a decision, pass it on to someone else

E Banc Trade Advertising Subsidy Programme

E Banc Trade is happy to assist members with their advertising costs in return for the E Banc Trade Logo and URL being represented in the advertising material or medium.

We have implemented changes to the existing subsidy programme to ensure this service can continue to be offered to all members. Changes will come into effect on the 1st of January 2006. The terms and conditions are:

An advertising subsidy up to a maximum of 25% of advertising costs for any medium, (print, TV, radio, web, etc) may be claimed by members who comply with criteria below.

All visual advertisements must have the standard logo and URL www.ebanctrade.com, with the words, Welcome Here, displayed. Our corporate colours are: PMS 021 Orange; PMS 280 Blue. Contact subsidy@ebanctrade.com for logo artwork, or download it from the website.

All audio advertising must clearly make mention of the fact that the advertising business is happy to accept E Banc Trade.

- An outline of the advertisement, or final copy, must be provided to Ad Subsidy Coordinator to confirm the subsidy amount prior to printing or airing. An approval number will be issued and this must be quoted on the invoice for any claims to be paid.
- As paid advertising only will be subsidised, a copy of the advertiser's paid account, along with a tax invoice (GST inclusive) for the subsidy amount being claimed, must be submitted to the Ad Subsidy Coordinator within 60 days of the account being issued.
- The approved amount of subsidy will not be greater than an amount equal to 50% of the last 12 months trade dollar turnover of the member applying for the subsidy.
- The advertising subsidy will not apply to special programmes that offer other rewards, incentives or rebates.
- The subsidy will be paid in E Banc Trade Credits inclusive of GST.

Subsidies may apply to the following types of advertising

- Printed ads, Leaflets, Flyers, Brochures, Magazines, Newspapers, Signage, Business Cards, etc.
- Yellow pages in both hardcopy or online
- Web Pages

International Trading Guidelines

Members wishing to trade with E Banc Trade members in other countries must contact their national head office with details of their requirements. The National Agent of the country you are travelling to or trading with will in turn be contacted to provide you with prices, booking confirmations, trade components, etc.

International cheque books are issued by the head office of each country. Members requesting international cheque books must have approximately \$T200 in their trading account for each cheque slip issued. i.e. if a book of 8 cheques (standard for international cheque books) is issued, the member must be in credit by \$T1,600. Transactions fees must either be prepaid on the amount requested, or a direct debit authority can be established to cover international transactions.

If you need information on International members services, please contact our Customer Support team by email to customersupport@ebanctrade.com, or phone 07 5437 7220. International cheque books can be requested by email, or by phoning head office.

International Trade cheques are only valid for 3 months from date of issue
