## OUR MISSION

Our mission is to facilitate the exchange of goods and services in an environment of fair and equitable trading to create a feeling of well being over and above the member's expectation

## OUR GUIDING PRINCIPLES

- Our prosperity parallels that of our community, locally, nationally and internationally
- Every policy decision is based upon the wellbeing of our members
- We endeavour to create a feeling of wellbeing over and above the expectation of agents, staff and members
- We embrace all cultures, we judge none
- Risk making a wrong decision quickly rather than no decision at all
- Agents are most important to continued growth, as are staff and members
- Staff ideas are valued as we continually strive to improve the business formula
- Dare to be different – think and work faster, smarter and with less
- One thing that can be promised is change – it inspires innovation
- Communication engenders trust and loyalty – ring back
- If you become emotional in a decision, pass it on to someone else

E Banc Trade member information

## New Look — New Programmes

Along with a new logo and new corporate image, E Banc Trade is once again leading by example in offering some fantastic new programmes to members wishing to increase their trading volume. Through membership in the **50%<sup>PLUS</sup> Club** traders are able to pay for essential products and services using 50% E Banc Trade dollars. These currently include Electricity, Groceries, Telecommunications and Petrol, with Air Travel and Council Rates soon to be added to the group.

As a member of the 50%<sup>PLUS</sup> Club, traders are required to offer the goods or services to other Club members at a minimum of 50% Trade. This applies to retail quantities only and may not apply to periodic specials offered by the trader. The trade component for commercial quantities must be negotiated with the seller.

After meeting the requirements\* of the 50%<sup>PLUS</sup> Club membership, club members may join several programmes on offer which, through a prepayment system, allow the members to purchase electricity, groceries from any Woolworths or Safeway supermarket, petrol through FUELbanc, and telecommunications through EBT Phones with a minimum 50% trade component.

We will be extending these programmes to other E Banc Trade members, but at a 20% trade component, so if you want more business and would like to buy your essential services and products with a larger trade component, think about joining the 50%<sup>PLUS</sup> Club. You can sign up online and then pick the services or products programme you want to join.

\* To be eligible to join the 50%<sup>PLUS</sup> Club the member must: be an E Banc Trade member of good standing with a consistent trading history; offer a broadly in-demand product or service at a minimum 50% trade component at market value to members of the 50%<sup>PLUS</sup> Club (this must be on your general product range, not selective items only, and will be randomly monitored); remain listed in the directory and be actively trading to the general membership base at a negotiable trade component. have a Direct Debit in place with E Banc Trade for payment of cash fees & charges incurred on the trading account.

FUELbanc has now successfully launched in Australia and the Netherlands with the programme being available in Spain and New Zealand by May 15th.

**up to 50% Trade**

**ANY TIME—ANY PLACE—ANY SERVICE STATION**

Purchase a prepaid FUELbanc debit card that can be used at all fuel outlets that have EFTPOS available. Why continue to pay full cash for your fuel when you can conserve this cash for other business expenses.

**Join FUELbanc online**, or request a faxed application form from Head Office.

**Visit [www.fuelbanc.com](http://www.fuelbanc.com) for full details, and to register for membership.**

## TAX DEDUCTABLE TRAINING - Northern New South Wales

### PLUS

**MINIMISE YOUR INSURANCE LIABILITY  
AND AT THE SAME TIME  
LET YOUR STAFF KNOW YOU CARE ABOUT THEM**

Imagine you as the boss send an employee out on an errand or they have to use a vehicle as part of their normal work duties. They are involved in a car accident. Lots of thoughts run through your mind.

Such as:

- Is anyone hurt?
- If so how bad?
- Whose fault is it?
- How much is this going to cost me?
- How is this going to affect my business?
- Do I have insurance that can cover me?
- What could I have done to minimise such an event from occurring?
- To what extent am I responsible for it occurring?
- And there are others.

Road crashes are the most common cause of work-related deaths in Australia and all employers have a responsibility and 'duty of care' to ensure the health and safety of their employees whilst working. Research shows that road crashes during work accounted for 49% of deaths in the period 1989-92. For 12 months ending May 2005 the Hunter represented 16% of fatal road crashes in NSW (RTA).

It is estimated that road crashes cost Australian businesses over \$1 billion in property damage each year.

Industry figures show the average cost of repairs for collision damage is \$2010 (AAMI). Add to this on-costs and hidden costs of 4 to 5 times this figure - and the typical collision will now cost your business around \$8,000.

Under the **OH&S Act 2000** you are responsible. An employer has a duty of care to all of his employees i.e. to prevent occupational injury arising from the use of vehicles and there are severe penalties for such breaches.

Is there anything you could have done to minimise what happened?

### YES!

By discussing with Tone's Driving School how a **Competency based driver training program** would significantly reduce losses to your business.

Such a program would consist of the following:

- A 1 Hour introduction question and answer session.
- Driver assessment with written report 1 Hour.
- Driver re-training based on above assessment 1-2 hours
- Driving test based on Standard competencies 1 hour

Total time 5 Hours Cost \$300/person

Upon completion driver will obtain Certificate from Tone's Driving school based on Standard competencies.

### ***The benefits to your business would be;***

- Less likelihood of absenteeism while recovering from injury and possible production losses.
- Less risk for your employees, resulting in fewer crashes could result in a lowering of your Workcover premiums.
- A Safer Driving Program will translate into less spending on repairs, replacement costs and insurance premiums.
- Higher re-sale value of vehicles.
- Enhanced public profile.
- Financial savings to your business.

All costs fully tax-deductible.

### **This can be done with 50% trade 50% cash**

***Bookings made before the end of MAY 2006 will receive a \$50 discount per person.***

# Trader Updates

## Admin Updates

We would like to remind all E Banc Trade members that unlike "other trade exchanges" it is against our rules to cease trading without first advising your Regional Agent, or Head Office. Members who are trading with a facility amount are bound to continue trading until the facility is repaid or arrangements are made to pay the facility amount in cash.

We all know how frustrating it is to call a listed member only to be told they are not trading. Please do the right thing and advise us if you wish to be temporarily unlisted. This way your business listing can be removed from the directory and other members do not need to waste time and phone calls unnecessarily.

## Trading Suspensions and Businesses no longer with the Exchange

**PLEASE NOTE THAT OUR USUAL GUARANTEE TO HONOUR AMOUNTS UP TO \$200 WITHOUT AUTHORISATION WILL NOT APPLY TO TRANSACTIONS WITH THE ACCOUNTS LISTED BELOW.**

### TRADING SUSPENSIONS

The member accounts listed below have been suspended from trading during the month of May 2006. Please do not accept any transactions from these members without first calling for authorisation regardless of the amount. Without an authorisation, the transaction will not be honoured by E Banc Trade. **This list will be updated monthly.**
