Certificate Programme For SMI's Safety And Health Officer

**Venue: SMISME Tradelink Centre,
Petaling Jaya**

Safety & Health Officer

The Occupational Safety And Health Act (OSHA) Come into force in February 1994. It covers all economics sectors, including the public services and statutory, except those subjected to the Merchant Shipping Ordinance An The Armed Forces.

Under Section 29 (2) of OSHA 1994, there is a need for an employer to employ a competent person to act as a Safety and Health Officer at the workplace. The Safety and Health Officer's job is to ensure compliance with the Act and promote safe conduct of work at the workplace.

This programme has been designed to address the needs of the Act and specifically the Occupational Safety and Health (Safety and Health Officer) Regulations 1997.

OBJECTIVE

Upon the completion of the course, participants will be equipped with the necessary knowledge and skills to effectively discharge the duties of a Safety and Health Officer under Occupational Safety and Health (Safety and health Officer) Regulations.
