## Sponsorship Newsflash

### Do you know someone who could benefit from sponsorship funding?

Empire Trade Exchange has a vision to actively support our community by utilising Empire Trade Dollars in support of sporting individuals, organisations and community groups.

**As an end of year special, newly approved sponsorship recipients who are in receipt of T\$10,000 or above will be able to join the exchange at no cost. This offer is valid on payment of sponsorship funds into new accounts opened prior to the 21 December 2007. This offer is to ensure that we have new branding exposure early in the New Year.**

Acting now will ensure that the start of 2008 will see our Brand in the community early in the New Year facilitating renewed exposure, confidence and enthusiasm.

At this stage we are only providing sponsorship funding to GST registered individuals or organisations to attract a community level or standard that ensures we will establish a mutually beneficial relationship with professional individuals and organisations.

Sponsorship support of smaller low profile recipients will be reviewed during 2008.

**Existing sponsorships will be able to apply for additional funding, as long as they are GST registered, meet the new guidelines and display our new Brand.**

As sponsored members pay the normal fee structure they qualify for all member benefits as long as they meet the necessary criteria; i.e. 50% Plus and Gold Club membership will be available to sponsorships that satisfy the membership criteria for these clubs. This will provide further benefits to sponsorships that proactively make their services available on trade to the exchange members. All sponsorship proposals must be commercially valued. This means they must be viable in the cash situation.

Please contact your local agent, email [sponsorships@au.empireexchange.com](mailto:sponsorships@au.empireexchange.com) with proposed sponsorships, or call National Head Office and speak with Sonia or in her absence Darryl.
