## Trading Bouquets

From Nathan Lynch in Queensland

*On the Thursday before Fathers Day I was in a rush to find something for my Dad and I needed it to be delivered to Melbourne the very next day (wishful thinking).*

*I thought it was going to be a dead end until I came across 'Dads Shop' in the Empire*

- ★ *Trade Exchange directory. The staff at Dads shop were extremely helpful with every enquiry I made and had every kind of 'dad' gift available. The ordering was done online where there is an image and description of every product they sell, which really helps out*
- ★ *when shopping and they happily accept 50% Trade on all of their products!*

*The speed of my purchase was unbelievably fast; I ordered my fathers day gift at 3pm on Thursday afternoon and my Dad called me on Friday morning at 9.00am to inform me that he had received his gift. If anyone is looking for a gift for their dad, whether it be for his birthday or even for Christmas, I would highly recommend Dads Shop to anyone! I am one very happy customer.*

**THE COMPLETE BUSINESS GUIDE...** Everything you need to know about running your own business including **DEBT COLLECTION** has reached the sales target that it can now be listed as a **BEST SELLER!**

But as they say **GO OUT ON TOP** - and I am sorry to say, well really **NOT** that sorry but **EVERY** last copy is **NOW SOLD...**  
I do have this available in PDF format - so e-mail me IF I can be of any assistance!

**I WISH TO STATE THAT THE REASON IT HAS REACHED THIS MILESTONE** is in part due to **EMPIRE TRADE EXCHANGE AND THE TEAM** - without their constant support and promotion I would have **NOT** sold the thousands of copies **I DID.**

**PLEASE WORK THEM - USE THEM** - no matter what I ask of the exchange, when I ask and of whom I ask nothing is to much trouble and I appreciate that. Because of their support **I CONTINUE TO GROW...**

### Obvios Glaive Touch Screen Terminal

Obvios presents the Glaive series, a range of POS terminals that set a new benchmark in the world of purpose built retail hardware. The Glaive is the first terminal of its type to successfully offer a stand-alone or client server configuration, at a price point that will convert many to its sleek and practical design.

The Ram based machine we offer is the Obvios Glaive Touch Screen Terminal.

The Glaive, although being a cheaper option, does not have a rear display to show the customers the amounts being rung up and although this is not compulsory most retailers like to have one. A rear display can be added for \$290.00 + GST.

The Ram based machine requires you to purchase at least 2 types of software. Those being an operating system such as Windows as well as a Point of Sale Software package. **PRICE LIST...**

- Glaive Touch Screen Ram Based unit (no rear customer display or software) - \$2495 + GST
- Customer Rear Display (optional) - \$290 + GST
- Windows XP or Vista Software (mandatory) - \$250 + GST
- Point of Sale Restaurant Software (mandatory) - \$1250 + GST

### PBM WD-3 12.1 Inch Touch Screen POS System

- The Rom based system we offer is the PBM WD-3.
- The PBM machine has a built in rear display.
- The PBM machine comes with its own software specifically designed to work not only the Touch Screen but to allow easy programming of key locations, adding items etc.
- The PBM machine also allows store messages to scroll along the display as well as logo printing etc.
- The PBM machine has an actual key lock allowing access by key only for X or Z readings and programming operations giving complete security.
- The PBM machine also allows proper functions such as voids, returns, pay outs, received on accounts etc to be done easily much like on a cash register. Add to this the reliability of the PBM and the fact that it rates as number 2 out of 20 types of business machines.
- Power failure on the PBM is no problem. Once power is restored the system is instantly ready for sales.

**PRICE LIST** - PBM Touch Screen unit with built in rear display and Point of Sale Software - \$3495 + GST

### G-556 series

G-556 series are highly sophisticated & versatile electronic cash registers; designed for department stores, clubs, hotels, clothing & accessory stores, gift and card shops, supermarkets and fast food outlets. The large memory capacity of a G-556 series allows a high level of management control over your business. As your business expands, it can be upgraded with additional RAM and a variety of optional equipment add-ons.

These machines come with a range of different scanners and accessories.

**Please contact us for more information on the above systems such as table tracking, set up and training costs, accessories price lists, extras and payment options.**
