Happy Mothers Day

Increased Member Support at Head Office

All Empire Trade Members now have a personal Member Support officer assisting members in their local area. As a means of providing an increased level of support, we have introduced a new phone service allowing members to connect directly with the service they require.

This service is in conjunction with an increase in the Member Support staff levels to provide more regular contact and assistance to utilise your trade dollars and generate extra sales.

Now when you phone Head Office on **07 5437 7220**, you can select from the following:

- Press **1** for **Member Support**
- Press **2** for **Member Accounts**
- Press **3** for **Authorisations**
- Press **4** for **all other inquiries**

Once connected you can 'dial ahead' at any time, you do not have to wait for all the options to be read.

If you would like to be advertised for more cash and trade business please contact your Member Support Officer by following the prompts on our new phone system. Remember, It's FREE to advertise in all of our publications and online services. Please do not hesitate to contact us on 07 5437 7220 if you require any more information.

Have any of your details changed?...Please let us know!

Having all your details up to date allows us to offer you the best service possible!

Packaging: We manufacture a range of items servicing various packaging applications:

- Aerosol caps are made in standard white and black, but custom colours are available. An increasing variety of caps are available as can be seen by the product list.
- Handles, bails and caps for metal cans are industry standard products.
- Cheese moulds are supplied to dairies who make ricotta cheese.

Aerosol Caps | Closures | Metal Can Components

Tubefix Joiners: Tubefix is a comprehensive range of polypropylene fittings used to construct shelving, furniture, storage facilities and many other products. Tubefix is very popular with the handyman, but it is also used extensively in the shop-fitting industry. Fittings can be supplied with or without aluminium extrusions.

Cartridge Components: We manufacture cartridge nozzles and plungers for the standard industrial cartridge. Ideally suited for cardboard cartridges.

Acrylic Components: Acrylic hinges are used by the acrylic display industry. They are simple and effective and are available as a complete item or unassembled.

Some of our other services include:

- Product Design (CAD)
- Excellence in Tool Design & Manufacture (CAD/CAM/FEA)
- Mould Flow Analysis
- Mould Trial
- Rapid Prototype Development
- Total Manufacturing Solutions
