### Land for Sale

Would you like to purchase the **CHEAPEST** land in AUSTRALIA with a **25% Empire Trade** component?

Even better, receive an additional **26% discount** on the purchase price!

Viva Properties has released a new subdivision. You pay \$8,000 down payment now (made up of \$6,000 Cash and \$2,000 EMPIRE TRADE). On completion, you pay another \$40,000 to settle the new block of land (\$30,000 Cash and \$10,000 EMPIRE TRADE). Total price for the block is \$48,000.

The land is currently valued at \$65,000 per block. You buy each block for \$48,000 with a 25% EMPIRE TRADE component.

**That's a \$17,000 discount to the present value!**

On top of that, you can make money by electing to sell the contract back to the developer at completion and not purchase the land. In which case you will earn \$3000 in cash and \$1,000 in EMPIRE TRADE and receive your initial down payment back.

**So your \$8,000 down payment makes you \$4,000.**

All blocks are 600-650m2 in size. The subdivision is small and located in New Norfolk, Tasmania (35 minutes drive from Hobart CBD).

There is a brochure available with additional details and guarantees. You will also find the plan of the subdivision in the brochure. Your new block will come with the roads and all services in place. Please contact us if you would like a copy of the brochure.

A number of blocks are sold already so don't hesitate, find the block that you like and call myself or Michael on 03 8888 7988 to purchase. It is only a small down payment for each block. The final payment will be made on completion in about 2 to 2.5 years.

We are doing this to make sure that all available blocks are sold. So you benefit from the 26% discount and the 25% EMPIRE TRADE component.

If you have any further questions please contact Greg on the details below.

## AUCTION FEATURE

### Rare Pontiac Trans Am Firebird 350 Chev V8 - 60% Trade

I have owned this baby for the last 5 years + and she has always been garaged and protected. This car is a Classic Muscle car and is identical to the model on Knight Rider the Movie.

I am selling her with out the plates and registration only due to the fact I rarely use her. In the last 3 years we have taken her out for 4 to 5 good runs as I simply do not have the time. She is extremely reliable.

She has a Beefy/Powerful Chevy 350 V8 in her and is Automatic. The tyres are as new all around. There are no dings or accident damage on her and she drives great. The top of the car is Targa, meaning the glass panels easily come off and store in the rear hatch. Struts for the rear hatch and front bonnet have just been re-gassed. The car does not have air conditioning, and only has a few very small stone chips which are easily repaired.

The car comes with a brand new stereo system and battery. The interior is very good, with only a small ash mark on the front passengers seat. The rear seat folds down to create one flat surface. The vehicle is right hand drive and is fully complied for Australia. The car has had no accident damage.

Classic Muscle cars like these are a rare find, so happy bidding and enjoy her. No tyre kickers/ joy riders please.

To bid on or list items of your own go to [www.empireXchange.com](http://www.empireXchange.com) and login with your username and password.

## CLASSIFIED FEATURE

### KIA CARNIVAL 2005 - \$12,500

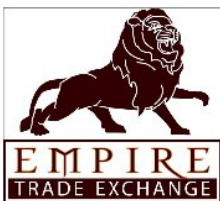

Kia Carnival 2005 model. Needs a good clean out both inside and out. Drives well and is very good mechanically. No dents but a few minor scratches that would probably polish out. A good reliable 7 seater at a low price. Genuine 85,655 km. Very nice to drive but must sell as we have bought another vehicle. Has all the normal options including DVD etc. Known problems are it needs 2 new tyres, it has a broken hazard warning switch, broken air con switch and the mechanic said that the brake pads are getting low.

The vehicle is being sold unregistered as the rego is nearly out and we don't want to spend the money on tyres, brakes, etc to get safety certificate so this is your chance to grab a bargain. Please call me on my mobile 0402 103 644 to arrange an inspection. You will not be disappointed. This is a quality low mileage 7 seater in need of a little work at a very low price. Vehicle is located in Waterford West in Brisbane.

**\$12,500 (\$5,000 trade and \$7,500 cash)**
