NATIONAL NEWSLETTER

Volume 4 - Issue 3

HAPPY EASTER!

Who does the shopping? Or who in your office does the purchasing?

It is important to communicate with your partner or your staff and educate them on how to use trade dollars.

Ensure the person in your office who purchases items knows to check with trade first, either by searching online or obtaining an up to date membership directory from Empire Trade.

Your partner or staff member may purchase flowers, gifts or schedule the carpet cleaner and not realise that they can purchase these items on Empire Trade and conserve cash.

There are many day to day business needs that you may be paying cash for because everyone in your office or business does not realise the benefit of checking with Empire Trade first. For example some general business expenses are: Printing needs, signage, stationery needs, toner cartridges, bookkeepers, cleaning products, cleaners, couriers, leaflet distribution, office equipment, uniforms and much more!

Grab an up to date membership directory, search online or contact Member Support first before paying cash.

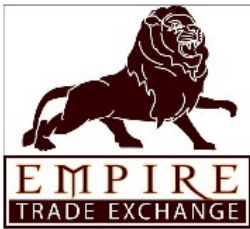

Are you getting married? Is one of your family members getting married?

Contact Member Support for a full Wedding Directory. Including businesses such as Wedding Planners, Florists, Cake Decorators, Limo Hire, Photographers, Formal Hire, Caterers, Dressmakers and much more!

Going on Holiday? Travelling interstate?

Contact Member Support for a full Tourist Directory for any area in Australia. Including businesses such as Accommodation, Restaurants, Car Hire, Wineries, Adventure Tours, Boat Hire and much more!

I have an investment property in Fitzroy Nth, Vic. and on behalf of the Body Corp. Management, of which I am the Secretary, I would like to sing the praises of Shane Roberts of 'Right Now Home Improvements'. I recommended Shane for work on the property and he far exceeded our expectations in all areas, including carrying out the jobs to specification, reliability and commitment to deadlines. He has also completed other work for me and I continue to find Shane genuinely considerate and of great integrity - hard to find in trades people these days.
