Volume 4 - Issue 5

Tips when Contacting Members to Trade

When contacting members with the intention to trade, etiquette requires you to identify yourself as an Empire Trade member, this is a very important key to your future transaction as some businesses will not recognise names such as E Trade, E Bay, Barter or E Banc all mistakenly used to identify Empire Trade Exchange.

You need to be clear which trade exchange you are referring to as some members are members of more than one trade exchange and may not be willing to accept trade dollars from all exchanges.

It is also important to ask for the account holder or the name of the person listed on the account, as many businesses have multiple staff who may not be aware of the trade practices of the business.

Please follow these simple steps when contacting members to ensure an effortless transaction. If you come across a member that is not willing to accept your trade transaction please don't forget to notify Head Office staff.

Once you negotiate your purchase with another Empire Trade member you have the option to pay the member via the internet (online transaction) or by writing out an Empire Trade cheque for amounts up to T\$2999. For amounts over T\$3000 please contact Head Office for procedures to be followed.

If you do not have a cheque book or your username and password to access your account online please contact head office on 07 5437 7220 or email hq@au.empireXchange.com

Have any of your details changed?...Please let us know!

Having all your details up to date allows us to offer you the best service possible!

Join Hervey Bay's only SAIL WHALE WATCH vessel.

We are also the smallest in the fleet at just 10.5m in length. Most of the whales we see are 10 to 13m in length and 30 tonnes or more, that's over 5 times our weight! So when you see a whale from Blue Dolphin you really do SEE a whale!

With a small number of passengers, an unforgettable and intimate experience awaits you. Only 20 people max. Sip champagne as the sun sets over the waters of the Great Sandy Strait. Join us for pre-dinner drinks with a cheese, dip and vegetable platter. The sail lasts for 90 minutes and includes your champagne or beer (soft drinks and orange juice also available).

What a great way to wind down after a day exploring the island or an even better way to start your evening. Check out our website www.bluedolphintours.com.au
